

Public Participation Plan

for the

CITY OF NEWCASTLE

2024 Periodic Comprehensive Plan Update

April 2023

BACKGROUND

The City of Newcastle is updating its Comprehensive Plan in accordance with Washington's Growth Management Act (GMA). The Comprehensive Plan is the long-range policy document guiding the City's growth and development over the next 20 years. Under GMA, cities and counties in Washington must periodically review and, if needed, update their comprehensive plans to ensure consistency with state law and other regional planning documents. Newcastle's Comprehensive Plan is required to be consistent with GMA, the Puget Sound Regional Council (PSRC) Vision 2050 growth plan, and King County's Countywide Planning Policies. The deadline for completion of this periodic update is December 31, 2024.

Public outreach is a key component of this periodic update effort. Among other things, GMA requires early and continuous public participation in the Comprehensive Plan update (RCW 36.70A.140). This Public Participation Plan (PPP) is intended to guide public outreach efforts throughout the process to ensure early and continuous involvement in decision making. The City will encourage participation throughout the Comprehensive Plan update.

This document outlines the public participation opportunities for Newcastle's Comprehensive Plan update, including engagement methods, timeline, and implementation strategies. This is a working document and may be updated over time as needed to reflect the community's needs.

Objectives

The objectives for this Public Participation Plan are:

- ◆ Inform residents of the Comprehensive Plan update, the planning process, and outcomes.
- ◆ Give participants more ownership in the outcome of planning processes through collaborative events engaging in conversation and the exchange of ideas and information, leading to buy-in, a sense of ownership, and higher quality planning documents.
- ◆ Include a range of perspectives, engaging citizens in unique ways to reach a broader audience and understand their goals, needs, and desires.
- ◆ Provide access to engagement opportunities, events, and participation for all Newcastle, including disadvantaged groups and individuals and those who have historically been left out of community planning processes.
- ◆ Build support for the Comprehensive Plan and work with the Newcastle community, elected officials, and other agencies toward success in implementing its goals, policies, and actions.

Roles and Responsibilities

City of Newcastle

The City of Newcastle is responsible for the Comprehensive Plan update in compliance with GMA. This responsibility includes actively inviting public comment and coordinating with state, regional, and county planning policies. The City has hired a consultant, SCJ Alliance, to work alongside City staff in facilitating the Comprehensive Plan update process.

Planning Commission

Newcastle's Planning Commission, a volunteer advisory body appointed by the City Council, is required to review amendments to the Comprehensive Plan and provide a recommendation to the City Council for consideration and potential adoption. Newcastle intends to position the Planning Commission as an active part of the process.

City Council

Newcastle's City Council is responsible for adopting the plan as official city policy.

PUBLIC PARTICIPATION

Audiences

There are several audiences – individuals and agencies – which will participate in the Newcastle Comprehensive Plan update, and each will engage in the process in different ways:

- ♦ **General Public:** Newcastle residents, property owners, and business owners.
- ♦ **Elected and Appointed Officials:** City Councilmembers, Mayor, Planning Commissioners, Parks Board Members, advisory committees and boards.
- ♦ **Non-City Service Providers:** Special districts such as the School District, Fire District, Library District, and others.
- ♦ **Non-Governmental Organizations:** Greater Newcastle Chamber of Commerce, service clubs, downtown merchants, homeowners associations, Futurewise, and others.
- ♦ **State, Regional, Tribal, and Other Local Governments:** Puget Sound Regional Council, Water Resource Inventory Area (WRIA) 8, Muckleshoot, Snoqualmie, Duwamish, Tulalip, and Suquamish Tribes, and King County.

Communication Channels

It is important the City make information available so any interested person can review materials and participate. Throughout the Comprehensive Plan update process, the City will maintain several channels for notifying the public and other participants of relevant meetings and events. Regular opportunities for education and notification include:

- ♦ City website and social media channels
- ♦ City twice-monthly newsletter
- ♦ Seattle Times (paper of record)
- ♦ Newcastle Days (September)
- ♦ Mailers and other City communications
- ♦ Email

The City will advertise Planning Commission and City Council public meetings according to the standard procedures for those bodies, as well as on the City's website. The City will also document all outreach efforts and comments and make them available for public review upon request.
